Supporting Hope, One Swing at a Time

At the Never Alone Cancer Foundation, we stand by individuals and families affected by cancer, providing support when they need it most.

Our golf tournament is a meaningful day on the course, bringing people together to make a difference. From every swing to every sponsorship, your involvement helps fund programs that ensure no one has to face cancer alone.

Join us. Be the difference. Sponsor today.

WHY SPONSOR?

Every day, 21 Manitobans are diagnosed with cancer

Cancer doesn't just affect one person—it impacts families, workplaces, and entire communities.

At the Never Alone Cancer Foundation, we've made it our mission to ensure no one faces this battle alone. Last year, we provided critical support to over 590 individuals across Manitoba, helping them navigate the physical, emotional, and financial challenges that come with a cancer diagnosis.

The demand for these services continues to rise, and that's why this year's Never Alone Cancer Foundation Golf Classic is more than just a day on the greens. It's an opportunity to make a tangible difference in your community. Your sponsorship helps ensure immediate access to high-quality support services, improves quality of life for individuals battling cancer, and eases the burdens that come with this life-altering diagnosis.

Beyond making a difference, this event is a chance to connect. Whether you're showcasing your brand to local leaders, rewarding your team with a meaningful experience, or building relationships with clients in an inspiring setting, this tournament delivers impact on and off the course.

By partnering with us, you're not just sponsoring an event—you're standing beside hundreds of Manitobans affected by cancer. Together, we can make sure no one fights alone.

Join us. Your support matters.

Lunch..... 11:00 a.m.
Shotgun..... 12:00 p.m.

Connie turned to the Never Alone Cancer Foundation for support. Her sister shared this message:

"Thank you for giving her dignity by providing a wig that made her feel beautiful, new glasses so she could read again, and dental work so she didn't have to cover her mouth when she spoke. I want you all to know that she passed away wrapped in the Never Alone blanket".
