Presented by:

Platinum Sponsorship:

## Supporting Hope, One Swing at a Time

At the Never Alone Cancer Foundation, we believe no one should face cancer alone. Every day, Manitobans hear the words no one wants to hear: “you have cancer.” In that moment, life changes for the individual and for everyone who loves them.

Our work is simple and deeply human. We walk alongside people living with cancer, their families, and caregivers by offering emotional care, practical help, and financial relief when it is needed most.

Last year, Never Alone supported more than 600 Manitobans. We helped cover transportation to treatment, delivered food hampers, eased urgent financial pressure, and supported caregivers when they needed it most.

This golf tournament helps make that possible. Sponsorship ensures people facing cancer receive real help, right when they need it.

Connie never imagined she'd need help - but she's glad Never Alone was there.

When Connie was diagnosed with mandibular cancer, she found herself driving 2.5 hours each way to Winnipeg for tests, surgery, and treatment. The cost of gas, overnight stays, and the strict nutritional needs that followed quickly became overwhelming.

With support from Never Alone Cancer Foundation, Connie received help covering the basics so she could focus on healing.

Nearly three years later, she's close to the finish line. Her new teeth will allow her to enjoy food again - and more importantly, to smile.

*"After two years fighting Stage 4 bone cancer, I can say I wouldn't have made it without Never Alone.*

*Michael was there when I felt hopeless with support, compassion, and care. As of January 7, 2025, I'm cancer-free. I'm forever grateful."*

— Connie, Cancer Survivor

Real help. Real care. Right when it's needed most.

# A STORY OF IMPACT

When Gail was diagnosed with cancer, she was also unhoused and alone. Every day was a fight for stability and hope. That is when Never Alone stepped in.

Our team made sure Gail could get to her appointments and connected her with the help she needed to rebuild her life and find housing again. Through every challenge, Gail kept going, and Never Alone was there when hope felt out of reach.

Volunteers and partners provided food, comfort, and care. Each month, the Winnipeg Soup Fairies delivered homemade soup. Small gestures that meant everything. Because of your support, Gail did not have to face cancer alone.
